

January 1st, 2021

Dear Madame/Sir

The MEGA City F.C Soccer & Social Development is a not-for-profit, volunteer based, community run adult 18 + soccer club. We have been operating in the G.TA Brampton & Mississauga area of Toronto since 2017. The Club has grown tremendously over the years from 15 participants in 2017 to over 50 participants in 2020.

We provide house league, All-Star and Rep soccer for adult 18 + to 50 years for competition level and developmental stream players. We play Brampton Adult Soccer League & Mississauga Adult League, which comprises of over 30 adult teams and 500 participants.

We also play indoor winter League of about 200 participants which represents about 60 house league teams in the winter.

We also offer a soccer academy and soccer camp, which services an additional 50 kids that are transitioning to long term player development between the ages of 16 to 19 yrs.

This is all made possible by the dedication of few volunteers. We are also very proud that our team comprises of players of diverse backgrounds and experience

Our Club is a member of the Ontario Soccer Association and we have certified coaches helping our players in a tremendous way to improve their skill level year-round. Our All-Star/Rep teams compete with various other teams within the G.T.A of Ontario and will be playing the Provincial Men's League in 2021/2022

Sponsors play a key role in the success of our All-Star/Rep program and your contribution is truly appreciated. Your contribution will help offset the fee associated with playing at this competitive level thereby making it more affordable to all participants.

The cost to sponsor an All-Star/Rep team is \$1000.00 +. With your sponsorship, your company name and logo will be advertised on a jersey of an All-Star/Rep team. Your company will receive a team photo together with other necessary items for sponsorship and the Club will issue your company a tax receipt.

The Soccer Club has seen, over the years, a tremendous increase in the membership and demand for soccer programs. This can be attributed to the excellent support our Club receives from our dedicated volunteers and generous sponsors, as well as to the quality of the delivered programs.

We encourage your company to sponsor our team for the summer of this year thereby creating goodwill within the community as well as promoting corporate participation in the development of soccer programs.

Please contact me for us to further discuss our programs and your partnership with us. Thank you

for your time.
