

ABOUT US

The MEGA City F.C Sports & Social Development Club is a not-for-profit, volunteer based, community run adult 18 + soccer club. We have been operating in the G.T.A Brampton & Mississauga area of Toronto since 2017. The Club has grown tremendously over the years from 15 participants in 2017 to over 50 participants in 2020. We play year round both outdoor league and indoor league.

We have decided to concentrate mainly on the player development level of teens because of one of the following.

Emotional Development: Older teenagers are more intellectually advanced than children or younger teens, and work well when they are consulted and included in decision-making. At this age, kids are better able to understand and rationalize why they are being asked to do something, we take this opportunity to improve talents, catch them young and build up professional athletes in soccer before losing interest for other challenging aspect of life.

Physical Development: Though teenagers are stronger and more capable than at any previous age, over-training causes this age group to have the highest dropout rate in sport and activities. Our coaches are cautious and experienced in pressuring the young people ones. For all teens, even those at the top of their game, we always keep things fun and rewarding!

We participate for an in house league, All-Star and Rep soccer for adult 18 + to 50 years for competition level and developmental stream players. We play Brampton Adult Soccer League & Mississauga Adult League, which comprises of over 30 adult teams and 500 participants.

We also play indoor winter League of about 200 participants which represents about 60 house league teams in the winter. In addition, we assist newcomers to Canada that have interest in soccer, providing Job support and other social and community opportunities that can benefit them during transition to make a new home - away from home.

We offer a soccer academy and soccer camp, which services an additional 30 to 50 players that are transitioning to long term player development between the ages of 16 to 19 yrs.

Our Club is a member of the Ontario Soccer Association and we have certified licensed coaches helping our players in a tremendous way to improve their skill level year-round.

Our All-Star/Rep teams compete with various other teams within the G.T.A of Ontario and we are also looking forward into participating in the Provincial Men's League in 2021/2022

We are also proud that our team comprises of players of diverse backgrounds and experience, ranging from professional to semi – pro that have emigrated in all the continent of the world, making the round circle leather game keep us together on and off the field. We are always looking and interested to receive new talents and professional soccer players and everyone with passion for the game.
